1 to 5: In accordance with your request I have determined that the type maintenance service provided Wheel-dex-Simpla Equipment is adequate.

To the best of my knowledge in the four years of use, only two service calls were made on the present Simpla-find Mark IV.

5. OC-A
GA-43

Service on these two requests could have been expedited if the calls were placed with the local service representative, C. W. Dauber Co., and not Wheel-dex-Simpla. Mr. Fahey, local sales representative for Wheel-dex-Simpla, informed us that the C. W. Dauber Co. has all spare parts and operate thru a fleet of radio dispatched trucks.

The recommendation contained in paragraph five of the memo from [Redacted] to you dated 2 August 1963 is reaffirmed. You will note this was based on economy of card storage and floor space.
